Please include our objection to it on your list, thanks. We also object to Netlist's exhibit list as far exceeding the 30 exhibits permitted under the rules due to multiple exhibits being combined together.

We will not revert JTX18. The solution is it is no longer a joint exhibit.

Michael –

We object to modifying JTX18.

Please revert it to how it was before.

Note, the JDLA is subject to our pending MIL3 and motion to bifurcate, so JTX18 is likewise covered by those motions.

Best regards,

Dan
